

AQUAED 2012 EDUCATION AND TRAINING WORKSHOP

For aquaculture industry teachers, educators, trainers, assessors, lecturers, managers and stakeholders.

Northern Melbourne Institute of TAFE, Epping Campus, Melbourne

Sponsored by

CALL FOR PAPERS

Theme: 'Improving through innovative skill and workforce solutions in the next ten years'.

Opportunities for Submission:

AquaEd is currently inviting the submission of oral presentations in line with the theme of 'Improving through innovative skill and workforce solutions in the next ten years'. Please submit your abstracts to palmerroy@hotmail.com, in subject line insert 'AquaEd 2012 Presentation'.

Workshop Details:

AquaEd is a workshop for people in the educational and training seafood sector; particularly aquaculture, from primary schools to postgraduate study. We will workshop the issues surrounding educating and training within the industry. We are grateful for support from NMIT and our major sponsor AgriFood Skills Australia.

Venue: NMIT, Epping Campus, Saturday 5 May – Sunday 6 May (concluding Sunday lunch time) – the AquaEd 2012 workshop follows on from the conclusion of Skretting Australasian Aquaculture 2012.

REGISTER NOW FOR AQUAED 2012 – REGISTER ONLINE AT

www.australian-aquacultureportal.com - follow the links to 'Registration'. Don't miss out - registration closes Friday 13 April 2012.

For alternative registration methods, contact sarah-jane.day@aquaculture.org.au.

Registration for the Workshop is \$198 (GST inclusive).

Registration for AquaEd 2012 includes:

- Morning & Afternoon Teas & Lunch on Saturday, Morning Tea on Sunday
- Networking Function Saturday Night
- Transport to/from Melbourne/AquaEd venue both days
